2011年12月26日 小川 浩 (@ogawakazuhiro) THIS IS THE BEST SCREWDRIVER YOU'LL EVER FINDThis is possibly the best screwdriver ever. If you look in my toolbox, you will find a countless number of screwdrivers with different size and heads. After purchasing this screwdriver, I have replaced all those screwdrivers with this one. JAMES C. THE MOST VERSATILE SCREWDRIVER I HAVE EVER USED.I love this screwdriver, it is the MOST used tool in my toolbox. This tool is my MVP the ability to change bits so quickly without having to carry 15 different screwdrivers makes this tool indispensable. S. BATCH VERY NICEVery impressed with overall quality. Very solid construction. Easy to change bits. Bits seem to be high quality and a great selection. Would definitely buy again. Probably the nicest screwdriver of this type I've seen. JOHN G. AWESOME SCREWDRIVERThis was recommended as the "best" screwdriver on one of my favorite websites, and it really has exceeded my expectations. I love this screwdriver so much that I find myself using it for just about all my home-improvement projects around the house. MIKE & CARI SO ELEGANT YET SO FUNCTIONAL! So elegant yet so functional that I have to smile every time I use it. It's designed with the end-user in mind. I always preferred quality dedicated single-bit screwdrivers, but this is not just another multi-bit screwdriver. Even when my full set of screwdrivers is close at hand. Megapro is becoming my new tradition! ROBERT, FROM TEXAS THE MEGAPRO STORY For over 25 years, Megapro has designed and produced screwdrivers for tradespeople in multiple industry segments. The Megapro values; hard work, attention to detail, North American-made quality products, continue to be the foundation of the brand.The Megapro company, which started in a home basement, was inspired by Megapro inventor, Hermann Fruhm, during a home renovation project. In the spirit of DIY, Hermann developed the first Megapro screwdriver prototype. This original prototype has evolved into Megapro's Original 15-in-1 Screwdriver and continues to be a best seller....read more
